

# Sharpening

## Bench Chisels & Plane Irons

Many people have difficulty using edge tools such as chisels, planes and scrapers. The result is they shy away from these tools or put them away. Learning to properly sharpen your tools usually leads to the discovery of how enjoyable they are to use. Come spend a day learning how to sharpen and properly tune these tools. *This is a highly recommended fundamentals class.*

**Course Duration:** 6 hours One Saturday class

**Dates:** Saturday, November 4 9:00am to 4:00pm
