Please let us know of our interest in the classes shown below. We hope to offer some of these to our future classes. You can also join as a woodshop member and we will coach you through any or all of these classes/projects.

Basic Step Stool

Shaker Oval Boxes

End Grain Cutting Board

Wood Identification & Properties

Drawer Construction (Rockler Dovetail Jig)

Bowl Carving (hand tools – gouges & draw knives)

Wood Lathe - Lazy Suzan

Wood Lathe – Segmented Bowl

Band Saw Box

“Leigh - DR4 Dovetail Jig” Set-up & Use

Machine Joinery Techniques and Tools

Tool Sharpening (chisels & Plane Irons)

Wood Carving - Wooden Spoon

Lathe Turned Ornaments & Figures

Basic Joinery (a hand tool ONLY class)

Mitered Box

Router Basics (hand held & table mounted)

Hand Plane Restoration & Tune-up

In the future, we hope to provide ADVANCED classes such as *Small Table (Shaker or Federal style, with a dovetailed drawer), *Three leg bar stool (with carved seat and free-form joints), * Kitchen Cabinet Construction (case construction, drawers and doors), * Bookshelf Construction (with adjustable shelves). These classes will take place over several weeks, with Saturday classes spaced 2 to 3 weeks apart and shop access between classes when you can complete the steps covered in the class. We envision 3 or 4 instructional sessions. Please let us know if you are interested in such classes.
