Please let us know of our interest in the classes shown below. We hope to offer some of these for our future classes. You can also join as a woodshop member and we will coach you through any or all of these classes/projects. WE ALSO WILL DO SPECIAL CLASSES FOR GROUPS.

Basic Step Stool	Wood Lathe - Lazy Suzan	Wood Carving - Wooden Spoon
Steam Bending - Shaker Oval Boxes	Wood Lathe – Segmented Bowl	Wood Lathe - Ornaments & Figures
End Grain Cutting Board	Band Saw Box	Basic Joinery (a hand tool ONLY class)
Wood Identification & Properties	“Leigh - DR4 Dovetail Jig” Set-up & Use	Mitered Box
Drawer Construction (Rockler Dovetail Jig)	Machine Joinery Techniques and Tools	Router Basics (hand held & table mounted)
Bowl Carving (hand tools – gouges & draw knives)	Tool Sharpening (chisels & Plane Irons)	Hand Plane Restoration & Tune-up
Home Maintenance & Repair	Finger Joinery – Serving Tray	Table construction – Small End Table

In the future, we hope to provide ADVANCED classes such as *Small Table (Shaker or Federal style, with a dovetailed drawer), *Three leg bar stool (with carved seat and free-form joints), * Kitchen Cabinet Construction (case construction, drawers and doors), * Bookshelf Construction (with adjustable shelves). These classes will take place over several weeks, with Saturday classes spaced 2 to 3 weeks apart and shop access between classes when you can complete the steps covered in the class. We envision 3 or 4 instructional sessions. Please let us know if you are interested in such classes.
